

WIXOM PUBLIC LIBRARY  
POLICY STATEMENT

**Mobile Wi-Fi Hotspots**  
**February 2016**

In order to promote access to online resources, the Wixom Public Library offers mobile Wi-Fi hotspots as a part of its circulating collection. A mobile hotspot is a device that can be used anywhere to create a wireless network so patrons can connect any Wi-Fi-enabled mobile device, laptop, printer, digital camera or gaming device. The hotspot is portable, so you can connect your device almost wherever you are. A hotspot may be checked out by any Wixom Library cardholder 18 years of age or older whose card is in good standing

Each hotspot circulates in a bag along with a micro-USB cord, AC charger with USB port, instruction manual, a copy of this policy and a copy of the Library's Public Internet Access Policy. The user is responsible for returning all of these materials in good condition. The user will be responsible for the cost of repair or replacement of the item if it is returned damaged. The Library is not responsible for information accessed using this device or for personal information that is shared over the Internet. Hotspot users are encouraged to follow safe Internet practices.

Hotspots are to be returned inside the Library at the circulation desk, not in the book drop. Patrons will be held responsible for damage to the item if it is returned in the book drop. In addition, the user agrees to follow the Library's Public Internet Access Policy while accessing the Internet through the Library's hotspot. There are no renewals and no holds for the hotspots. Wireless service will be terminated if the hotspot is not returned on the due date.

The Library is not responsible for any computer viruses that may be transferred to user storage devices. Tampering with library equipment, including bypassing security functions, is prohibited.

Fees:

- There is a \$50 replacement cost, plus a \$25 processing fee for a lost, damaged or stolen hotspot.
- The user will be fined \$5.00 per day that the hotspot is returned late.
