## WHO ARE THE FRIENDS?

The Friends of the Wixom Library is a state-approved non-profit organization dedicated to supporting and evolving the scope of library service in the City of Wixom. Volunteer citizens and businesses who believe in the value of books and reading, look to the library as an active, dynamic, educational force in the community.

## WHAT DO THEY DO?

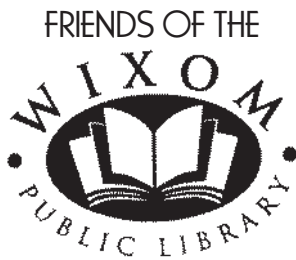

The Friends raise funds through used book sales, membership drives, and private donations and memorials to enhance the Library's programs and services. They aid in public relations by informing the community about the wide scope of activities available to them. They offer many opportunities for interested citizens to become involved.

## WHAT CAN YOU DO?

Join the Friends. You'll make some new friends and have fun working toward a cause that benefits the entire Wixom community. Memberships start as low as \$3.00 and all sorts of volunteer talents are sought after in teens through seniors.

*THERE IS A NEED AND A JOB  
FOR ANY FRIEND WHO WISHES TO BECOME ACTIVE!*
