

# Help Us Save The Historic Wixom-Wire House Museum

**The Wixom-Wire House Museum, built in 1855, is in desperate need of repair. The home's 19th century Michigan basement is beginning to crumble. The cost is expected to reach \$25,000.00.**

Many of you have fond memories of visiting the Wixom-Wire House, on the southwest corner of Wixom and Maple Roads. It is Wixom's only museum, preserving a glimpse of pioneer days. We want your children and grandchildren to be able to enjoy it for years to come.

Please help us by donating to  
Wixom Historical Society's fund to save the museum.
